Welcome to the Ellensburg Inn & Conference Center! As the only full service hotel in town, and just off Interstate 90, we have 106 guestrooms, two indoor pools and hot tubs, and an on-site restaurant and lounge.

All guestrooms are stocked with in-room coffee service, mini refrigerator, hairdryer, extended cable TV with HBO, and personal voice mail. We also have wireless high speed Internet "hot spots" available for your convenience. Our complimentary continental breakfast is provided for all overnight guests.

Along with our lodging facilities, Cattleman's Steakhouse and Seafood Restaurant is located just off our lobby. Cattleman's is open for breakfast, lunch and dinner, seven days a week. Locals have said the Cattleman's cut is "**The Best Steak in Town**". Cattleman's also has a lounge with daily drink specials, big screen TV and karaoke on the weekends.

The Airporter Shuttle conveniently stops at our location four times a day making trips between the Yakima Air Terminal and the SeaTac Airport and Seattle Amtrak. This is a wonderful service to our guests who do not have a vehicle to bring them to their destination.

We are pleased to offer the Cascade Cow Cutters Association a discounted rate of \$80.00, (plus tax), per room, per night. Please note this rate is based upon availability. To make a reservation, simply call our hotel at 509-925-9800 or 1-800-321-8791, and let the front desk agent know that you are staying here with the group, "Cascade Cow Cutters".

We look forward to your visit!
